Building on an architectural and graphic design background, I am a UX Designer interested in simple digital experiences that encourage users to engage with their physical world.

## EDUCATION

### Bloc

User Experience Design Program, 2018

### Wentworth Institute of Technology

Bachelor of Architecture, 2009

Master of Architecture, 2010

## EXPERIENCE

### Pickard Chilton Architects

Graphic Design Coordinator, 2014-Present

Collaborated with Principals, Project Managers, and Design Teams to storyboard and develop unique presentation materials for competition proposals and current projects

Designed content for digital and print presentation materials

Developed circulation and program diagrams for architectural designs to communicate building experience and layout to clients

Created and maintained in-house graphics for brochures, recruitment materials, and lectures

Maintained professional photography edits

### Pickard Chilton Architects

Architectural Designer, 2009-2014

Acted as a direct assistant to Project Manager on several projects

Prepared and presented design concepts to clients and building tenants

Collaborated with Design Teams to study various design strategies for commercial office buildings and master plans

Participated in coordination sessions with consultants to ensure building systems could be properly integrated into building designs

## SELECT PROJECTS

### U by Uniqlo

U by Uniqlo is a concept design for a retail companion app to enhance the Fitting Room and Check Out experience for users at their local Uniqlo.

[VIEW PROJECT](#)

### Sitemap

Sitemap engages users with local architecture through a location-based architectural map and integrated camera. Users can explore and document buildings and reach out to the Sitemap community for more information.
