New Britain, CT 06053

Building on an architectural background, I'm a UX Designer interested in developing simple and engaging digital experiences that connect users to their physical world.

EDUCATION

Bloc

User Experience Designer Track, 2018

Wentworth Institute of Technology

Bachelor of Architecture, 2009

Master of Architecture, 2010

AIA Henry Adams Medal and Certificate
Dean's List

EXPERIENCE

Pickard Chilton Architects

Graphic Design Coordinator, 2014-Present

Collaborated with Principals, Project Managers, and Design Teams to storyboard and develop unique presentation materials for competition proposals and current projects

Designed content for digital and print presentation materials

Developed circulation and program diagrams for architectural designs to communicate building experience and layout to clients

Created and maintained in-house graphics for brochures, recruitment materials, and lectures

Managed professional photography edits

Pickard Chilton Architects

Architectural Designer, 2009-2014

Acted as a direct assistant to Project Manager on several projects

Prepared and presented design concepts to clients and building tenants

Collaborated with Design Teams to study various design strategies for commercial office buildings and master plans

Participated in coordination sessions with consultants to ensure building systems could be properly integrated into building designs

Elizabeth A. Gibb, Architect

Architectural Designer, 2009-2014

Collaborated with clients to understand living patterns and spatial needs

Studied various formal and programmatic layouts for small-scale residential projects to address current and future needs of client

Collaborated with Elizabeth Gibb and Kevin Benham to develop design proposals for several domestic and international design idea competitions
